

Scavenger Hunt

Birds

Red-breasted Nuthatch
Red-breasted nuthatches have a red belly and are often seen scaling up and down tree trunks.

Downy Woodpecker
Downy woodpeckers are a small woodpecker species. Males have a red patch on the back of their head.

Northern Flicker
Northern flickers are sleek species of woodpecker with bright red markings and black spotting.

American Widgeon
American widgeons are a common species of water fowl often seen amongst other ducks like mallards.

Chestnut-backed Chickadee
Chestnut-backed chickadees are small birds with a brown back and black and white facial markings.
